

Advance Praise for *Pregnant with Hope*

“An excellent book! As an infertility specialist, I plan to recommend it to all of my patients as part of their ongoing care. I recommend it to *anyone* who cares for or about infertile couples.”

Dr. Andrew Toledo, Medical Director
RESOLVE Hope Award Recipient, 2009

“*Pregnant with Hope* opens a door into what is often a secret world of dread and disappointment to call fearful couples into the loving heart of God. It is truly a gift—a guide through the wilderness of infertility to joy.”

Ethel Ware Carter, Program Director
Regional Council of Churches

“As a psychologist, and as a pastor for 30 years in the African-American community, I have long awaited a book like *Pregnant with Hope*. It gives me a significant, practical, spiritual tool to serve couples who find themselves facing infertility.”

Reverend Dr. Gerald L. Durley

“I love this book! *Pregnant with Hope* offers a truly transparent, authentic look at the issue of infertility, then takes you on a wonderful journey of hope and transformation. It will touch your heart and help you know that you are not alone. No other book comes close to meeting the deepest needs of infertile couples. Read it expecting to hear God’s voice.”

Johnny Myers, President
Group 418 Christian Consulting

“*Pregnant with Hope* is beautifully written—full of excellent theology and pastoral compassion. I wish this resource had been available for the past 30 years.”

Reverend Joanna M. Adams

“*Pregnant with Hope* is a much-needed resource for couples who walk through the valley of despair over infertility. It helps readers discover that God is with them all along. In fact, through every struggle, He births a higher purpose.”

Nancy McGuirk, Author
Rest Assured, My New Life in Christ

“*Pregnant with Hope* invites couples on a journey of hope and healing that only God can give. This is a book for struggling couples, and for those of us who love them and often don’t know what to say or do. I’m so thankful for this resource. May God use it mightily.”

Dr. Stephen A. Hayner, President
Columbia Theological Seminary

"An honest, heartfelt walk through scriptures that offer hope and insight into the challenges of infertility"

Jon Acuff, Author
